

Payment policy

Thank you for registering for NW United Select Soccer!!

We strive to make select soccer affordable to all players in our club. This year as a club we have decided to modify our payment system and implement a payment policy.

Payment System:

Player club fees and coach fees will be paid directly to NW United. There will be two different payment options for club fees and coach fees. First option will be to pay online via PayPal to the club's account through each individual player's account. This link can be found on the home page of each player's account along with the current balance. Second option is to send a check made payable to NW United at PO Box 577, Mount Vernon, WA 98273. If necessary, other accommodations can be made, please contact Marlene at 360-770-4075 or at whisonants@comcast.net to inquire.

Team fees: tournament fees, referee fees & equipment fees will be paid directly to the team treasurer.

If the player requires a uniform, shorts, socks, etc please order directly from Soccer City in Burlington or Bellingham.

Payment Policy:

Due to previous payment issues in year's past, we as a club, have decided to implement a payment policy.

Team fees due date will be determined by it's own team treasurer/manager. We will be contacting all team treasurers/managers for balance owe by players prior to first minimum payment.

Club fees/coaches fees will be broken down into 3 minimum payments. Each team will have different amounts due, but dates remain the same. First minimum payment will be due July 15th. Second minimum payment will be due September 1st. Final payment will be due November 1st. Payments may be made at anytime during this period, and if there are any issues with this payment schedule, other arrangements can be made by calling Marlene at 360-770-4075 or at whisonants@comcast.net.

If the minimum payment has not been paid or other arrangements have not been made prior to the due date, the player will not be able to participate in any games (league, tournament, scrimmage or state cup), until previous minimum payment is made. Players may however, participate at practice and attend games until payment is received.
