

Northwest United FC “No Pay, No Play” Policy

Per the Parent/Player Contract signed at registration, all monthly payments must be made before the last day of each month, and total Club Tuition must be paid by the end of February unless a written payment plan has been put in place between Parent, Coach, and Club Administrator.

If a Player’s account is more than one month behind (*i.e. July’s payment has not been paid by the time August’s payment is due*) and no formal, written payment plan has been established, the Player becomes ineligible to participate in trainings and matches.

The following series of events is what can be expected when a payment is missed:

- 1) Parent/Guardian will be notified of missing payment for the first time. Parent/Guardian has opportunity to respond with a payment plan to get missing payment paid.
- 2) If a response or the missing payment has still not been received within one week, Parent/Guardian will be notified of missing payment for the second time and the Coach will be made aware of the standing.
- 3) If a response or the missing payment has still not been received within one week of second notice, the Player officially becomes ineligible to participate in trainings and matches until account is brought up to date.

Payments can be made via Check, Money Order, or Credit Card. Please do not give cash payments to Coaches, Team Managers, or Team Treasurers.

Check or Money Order payments can be mailed to:

Northwest United FC
PO Box 2120
Mount Vernon, WA 98273

Credit Card payments can be made online by logging into your TeamSnap account. Please contact the NWUnited Bookkeeper if you have any questions about how to make a payment.
